Magswitch

Magswitch® Magsquares

- Holds metal on multiple sides for welding ease.
- Attaches to either flat or round surfaces
- Machined for precise 90° angles.
- Includes pre-tapped holes on all sides to mount accessories or make jigs/templates.

Magswitch® Welding ground clamps

- Connects instantly. No more searching for a clamp location!
- No more tacking on tabs in large sheet weld or pipe jobs.
- Turn on Magswitch® and start welding
- Stays clean. Turn off Magswitch® and wipe away debris
- Attaches to either flat or round surfaces
